

Melding the 2022–25 Local Collective Agreements

BCTF

Provide information to locals about the documents currently in place and request any further documents.

Step 1

Collecting all relevant Local Matters Agreements, LOUs; MOAs and MCMs.

Local

Review the documents that should be included and provide any further documents to the BCTF.

Locals may also meld their own language and provide it to the BCTF, however there is no requirement to do this.

BCTF

BCTF will create the initial drafts of the official working documents. This will incorporate any melded language provided by locals

Step 2

Creating initial drafts

BCTF

Meet with each local to review the draft of official working documents. No PDF copies will be shared at this stage.

Step 3

Local meetings to review drafts

Local

Attend a virtual or in person meeting with BCTF staff to review the draft of official working documents.

Goal

complete this step by December 2023.

BCTF

Ensure each draft official working document reflects changes agreed to with locals.

Step 4

Finalize the drafts to incorporate local feedback.

BCTF

Share drafts with BCPSEA and review with locals any feedback from BCPSEA.

Step 5

Drafts will be shared with BCPSEA.

BCTF

Share PDF drafts with locals and districts for review and feedback.

Step 6

Final drafts shared to local parties for review and feedback.

Local

Review PDF drafts of melded CA and provide feedback. Connect with districts as needed on any local concerns.

Goal

sharing drafts by February 2024.

BCTF

Work with BCPSEA on feedback from the local parties to finalize working documents for signature.

Step 7

Local parties' feedback.

Local

Sign off melded CA once agreement is reached.

Goal

Finalize local documents by June 2024.
