? Remedy Usage for this year ?

In April, I sent every teacher collecting remedy, a usage amount and carryover amount as a reminder for the rest of school year. Unfortunately, I have not received that information this year.

Why?

A new person was hired as Secretary-Treasurer

Instead, a change was discussed and will be implemented next year.

A teacher's remedy sheet will have the monthly balance of usage and accumulative.

SOSTU Chairperson Nominations Close May 14th at SOSTU AGM

All positions are open / please see attached form Elections or Acclamations @AGM
