## Provincial Bargaining News

Both parties are meeting Dec 16<sup>th</sup> & 17<sup>th</sup> and January 13<sup>th</sup>  
Employer is proposing concessions and has not changed (sick time and access to benefits and non-enrolling ratios)  
BCTF wants improvements to working conditions

Members, log into the BCTF portal to view the concessions (E) proposals and union (U) proposals

## Employer Position is firm

1. Working conditions are not up for bargaining (often the employer's position)
2. *Teachers' sick bank must be reduced and higher threshold for paid benefits for part time teachers*
3. *TTOC pay is too high*

**Employer's main rationale for some of these concessions: it will 'encourage' TTOCs to take more FTE and therefore, address failure to fill issues**
